We provide a four season French/Acadian dimension to the visitation of Atlantic Canada. Because of the specific context of each family, preceding and following the deportation, custom Tours are designed to follow your own family’s History and specific interests. We promise a return-to-your homeland with lots of emotions and unnamable pleasures. Tell us what you would like to see and experience and we will design the tour just for you! It’s as simple as that!

Novacadie is first, a meeting of friends! A facilitator for YOUR travel experience! Meet the many vibrant Acadian communities of today…and savor the food, music, stories and miles of smiles!

Novacadie is the vehicle to take you there!

Custom designed for the specific needs and requests of the groups (family associations, company conventions etc.) or pre-designed by the company annually.

Join our Heritage Tours in Canada, Louisiana and France offered each year.

See for yourself…
the many sites of historic significance; the original dykes (levées), the enclosed fertile farm, (cellars) pictorial orchard land and fishing communities of your own Acadian ancestors, the LeBlancs, Thériault, Comeau, Hébert, Landry, etc and all the pioneers of over 350 years ago, in “old” but forever young and modern Acadie…

The secrets lay in the land… If we listen we can hear them.
